OUR PRESENCE

VASHI | GHANSOLI | NERUL | KHARGHAR | UPPER KHARGHAR
PANVEL | DOMBIVLI | KALYAN NX | LONAVALA

It's been a long yet fruitful journey for Paradise Group. We began more than three decades ago with a clear aim of providing lavish and appealing spaces for all to dwell. We have come a long way after constructing more than 125 successful projects across Navi Mumbai as of today's date. This rendezvous of more than 3 decades has made us a team of highly experienced construction experts. Keeping abreast with the latest technology and implementation of world-class techniques are the reasons why our structures are not just luxuriously designed marvels, but also perfect specimens of 'beauty with quality'.

With structures that beautifully blend high-end luxuries, modern amenities, and an elegant touch of culture, we have always aimed to make the world a better place to live in. Today, our vision has evolved into an even more ambitious reality with 20,000 themed luxury residences in the making, each crafted to offer an elevated and enriched lifestyle. We are currently developing 2.2 crore sq. ft. of Luxury landmark projects across prime locations of Navi Mumbai and MMR—including Vashi, Ghansoli, Nerul, Kharghar, Panvel, Kalyan NX, Upper Kharghar, Dombivli, and Lonavala—delivering highly innovative, state-of-the-art construction designed for both the classes and the masses.

With a progressive outlook and a robust land bank that will further fuel our growth, we continue to forge ahead toward a bright future. Our commitment remains steadfast: to bring transformative change to modern housing concepts and to create a world that truly reflects the essence of a Paradise.
